TEACHING METHODOLOGY

Conventional, lectures, exercises and cases

ASSESSMENT TYPE

Oral exam at the end of the cycle of lectures.

For attending students intermediate tests can be scheduled including a written exam and an oral presentation of a project work.

The examination aims to ascertain the degree of knowledge of the student on both practical and theoretical aspects of the discipline. In particular, the objective is to assess the degree of assimilation of the contents of the discipline, the ability to make the appropriate links between the various topics dealt with, the ability to express the required arguments in a clear and exhaustive manner, to apply knowledge, autonomy of judgment, communication skills and learning skills in line with Dublin descriptors.

"The student disabled and/or with SDL (specific disorders of learning), who intends to take advantage of an individualized intervention for the conduct of the exam must contact the Disability Integration office of the University of Salento at the address:

paola.martino@unisalento.it

There are no differences in terms of program between students attending and not attending.

Only for the period of Covid-19 emergence an oral examination on line could be expected.
